## 2015 RYVITA CANADA TIN DESIGN INVITATIONAL STUDENT ART COMPETITION

### COMPETITION RULES AND GUIDELINES

#### 1. WHO IS RYVITA CANADA

The first RYVITA® bakery was established in Birmingham in 1932, it made crispbread using the same principles we use today – the finest British Rye ingredients with no added yeast. In 1940, the RYVITA® Co. Ltd was bought by Rowntree and products were made in different locations in order to over come wartime zoning.

In 1949, after the war, a factory with three continuous baking ovens was commissioned in Poole, Dorset. Also, in 1949, Garfield Weston bought the RYVITA® Company Ltd. This is still the site of the current RYVITA® factory, and Garfield Weston's original company, Associated British Foods, still owns RYVITA® – a consistent relationship with Poole & ABF for over 60 years!

Since establishing Poole & being bought by ABF, RYVITA® has had several further milestones in its history – opening a mill in 1968 to provide all the Rye flour for your favourite RYVITA® Crispbread and expanding into Canada, Sweden and Australia.
